

FOX VALLEY GOLF CLUB

2020 BUSINESS ENTERTAINMENT CARD

Looking for a great way to enjoy the Benefits of a Private Golf Club and Maximize the Effectiveness of Your Business Entertainment Dollars?

A Business Entertainment Membership at Fox Valley Golf Club is an opportunity for your business to benefit from the many advantages of Membership at a Private Golf Club. The Fox "Biz" Card enables designated employees from your business to golf & dine at The Fox, plus you can leverage your entertainment dollars to entertain clients, reward employees and host meetings, outings, parties or any type of business event.

Best of all, it's so simple: The Fox "Biz" Card works just like a prepaid debit card and may be used to pay for Golf Fees, Golf Cars, Food and Beverages.

- The total contribution level for the first two designated employees on your Membership is \$7200. You can divide the \$7200 between the two any way you choose.
- If more employee designees are added, the contribution level is \$3000 per person, up to a maximum of 6 people.
- Your Biz Card may be used for Golf Fees, Golf Cars, Food and Beverages.
- *Note: May not be used for Golf Shop merchandise or gratuities.*
- The Biz Card may be used on any day The Fox is open. Biz Card employee designees have full access to the Club, just as Fox Valley Golf Club golfing Members do (all club policies apply).
- One of your company's employee designees must accompany guests to play golf & use club facilities.
- All Guest Golf Fees include unlimited use of the Driving Range & Practice Facilities for the day.
- Guests may play a maximum of 3 times per year.
- Standard club fees and prices apply to all purchases.
- The Biz Card may be used for an annual period beginning 1/1 and ending 12/31. All balances must be used in the membership year. None of the initial balance can be carried over to the following year.
- Additional deposits may be made to the Biz Card by the business in increments of \$500 during the year. 100% of these additions may be carried over to offset the following year designated amount.
- Business employee designees will not be considered stockholders and do not have voting rights.

Notes: All businesses, employee designees and guests must adhere to all of Fox Valley Golf Club policies, rules and bylaws. Violations of these policies may result in loss of privileges. Fox Valley Golf Club's Board of Directors will oversee all matters of the Club and has the right to update and change this policy with notice to all those participating.
