

FOX VALLEY GOLF CLUB

2022 Fall New Membership Promotion

Beginning Thursday, 9/1/22... New Members can join FVGC and play the rest of the 2022 season for a total payment of \$999.

\$999 breaks down like this: \$662.56 is applied to golf dues for the remainder of the 2022 season, tax on that amount is \$36.44 for a total of \$699.

Remaining \$300 is put on account for you to enjoy in the Bar and Dining areas. It's a great way to experience the social side of things at the friendliest, most fun private club in the area.

For the 2023 season, New Members who join under this fall promotion pay the regular dues rates of his or her respective membership category minus the \$662.56 in golf dues paid in 2022. Essentially, when you decide to join The Fox for 2023 under this promotion, you'll have played 2022 for free!

Each New Membership who signs up for this promotion and joins for the 2023 season receives 2 complimentary guest passes that can be used for the 2023 golf season (\$152 value) once dues are paid in full.

We're excited that this promotion combines both the golfing and social aspects of membership at Fox Valley Golf Club. If you would like more information, would like to come out for a visit and/or tour the course and clubhouse, please contact us. Thank you for your time.

Jason Haack, PGA
